To whom it may concern:

On August 1, 2009 I took my first trip with your company.

It was a trip to Chicago and our escort was named Peter.

I just wanted you to know, that I have taken trips like this for years but I have never been treated as royally as Peter treated us all on this trip.

I am sure that it would be impossible for anyone to complain about this trip and if they did you can rest assured that they would be the type of people that you could never satisfy.

My hat goes off to Peter and I would certainly look forward to travelling with him again when a place that I have never been to or wish to return to came up.

I just thought I would let you know as you probably never receive more praise than complaints.

Thanks again
