Hi Peter,

Just to let you know that my wife Ghislaine and I had a real blast travelling with you and your wonderful driver Dominic last week to Memphis Tennessee. Although the weather was not always pleasant and the air conditioning was not always working i could truthfully say that we enjoyed the full experience of a super trip. You make your trips interesting and at times very exciting and quite entertaining. What more could we ask of you?

Looking forward to booking with Travel Goodtime Tours in the near future

Quint and Ghislaine Mattucci
