Dear Peter,

Last week my husband and I travelled with Goodtime Tours to New Orleans (The Big Easy) for 8 days and 7 nights.

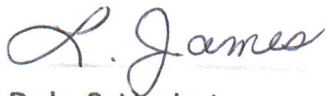

We just wanted to let you know that we had a wonderful time.

The Drury Hotels were excellent. The comprehensive guided tour of New Orleans, and the paddle boat cruise on the Mighty Mississippi River was enjoyable. The free breakfast and the happy hour each evening was outstanding. We were within walking distance to the "French Quarter" and Harrah's casino, which we did make a deposit. We loved having the free time to explore on our own.

Peter, you do an excellent job of organizing these trips. We have been on three trips with you so far and have nothing to complain about. You care about your customers, and it shows.

We look forward to travelling with you again in the near future.

Sincerely,

Dale & Linda James
