Hi peter

thank you so much for the wonderful St. Clair River trip wednesday. it was delightful and fun. great bunch of people on the bus.

i am also interested in the fall colour trip Sept. 30-Oct. 7 but would like more explanation regarding the cancellation insurance as i have just been discovered with kidney stones and have had 2 attacks in the past 3 weeks but no specialist appointment till sept. 16. that is what is holding me up from booking for sure.

if i can go i would want to share with someone.

also what would the charge be for home pick up and delivery at the corner of Bloor & dixie rd mississauga.

i would also like a trip to branson missouri if you happen to arrange for april, may, june of 2017 especially to see the texas tenors.

i am away today for 2 1/2 weeks.

thank you for your hospitality
